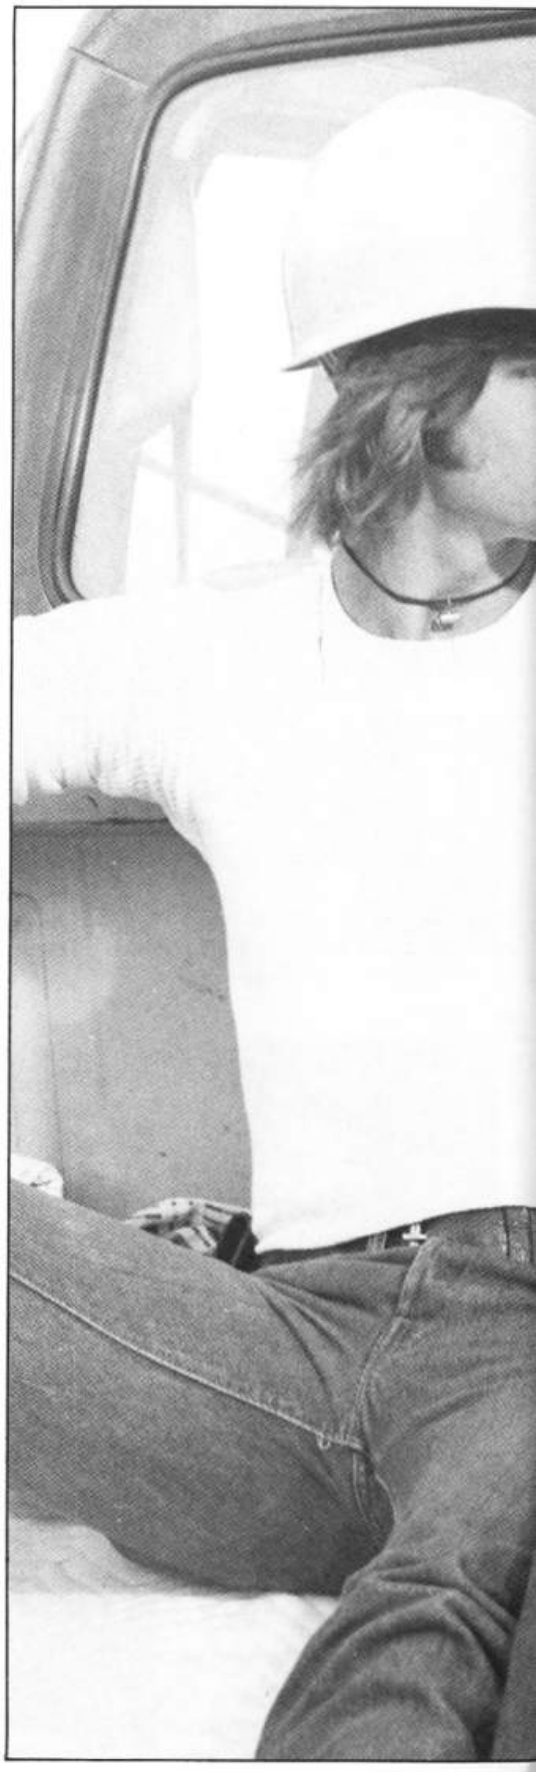
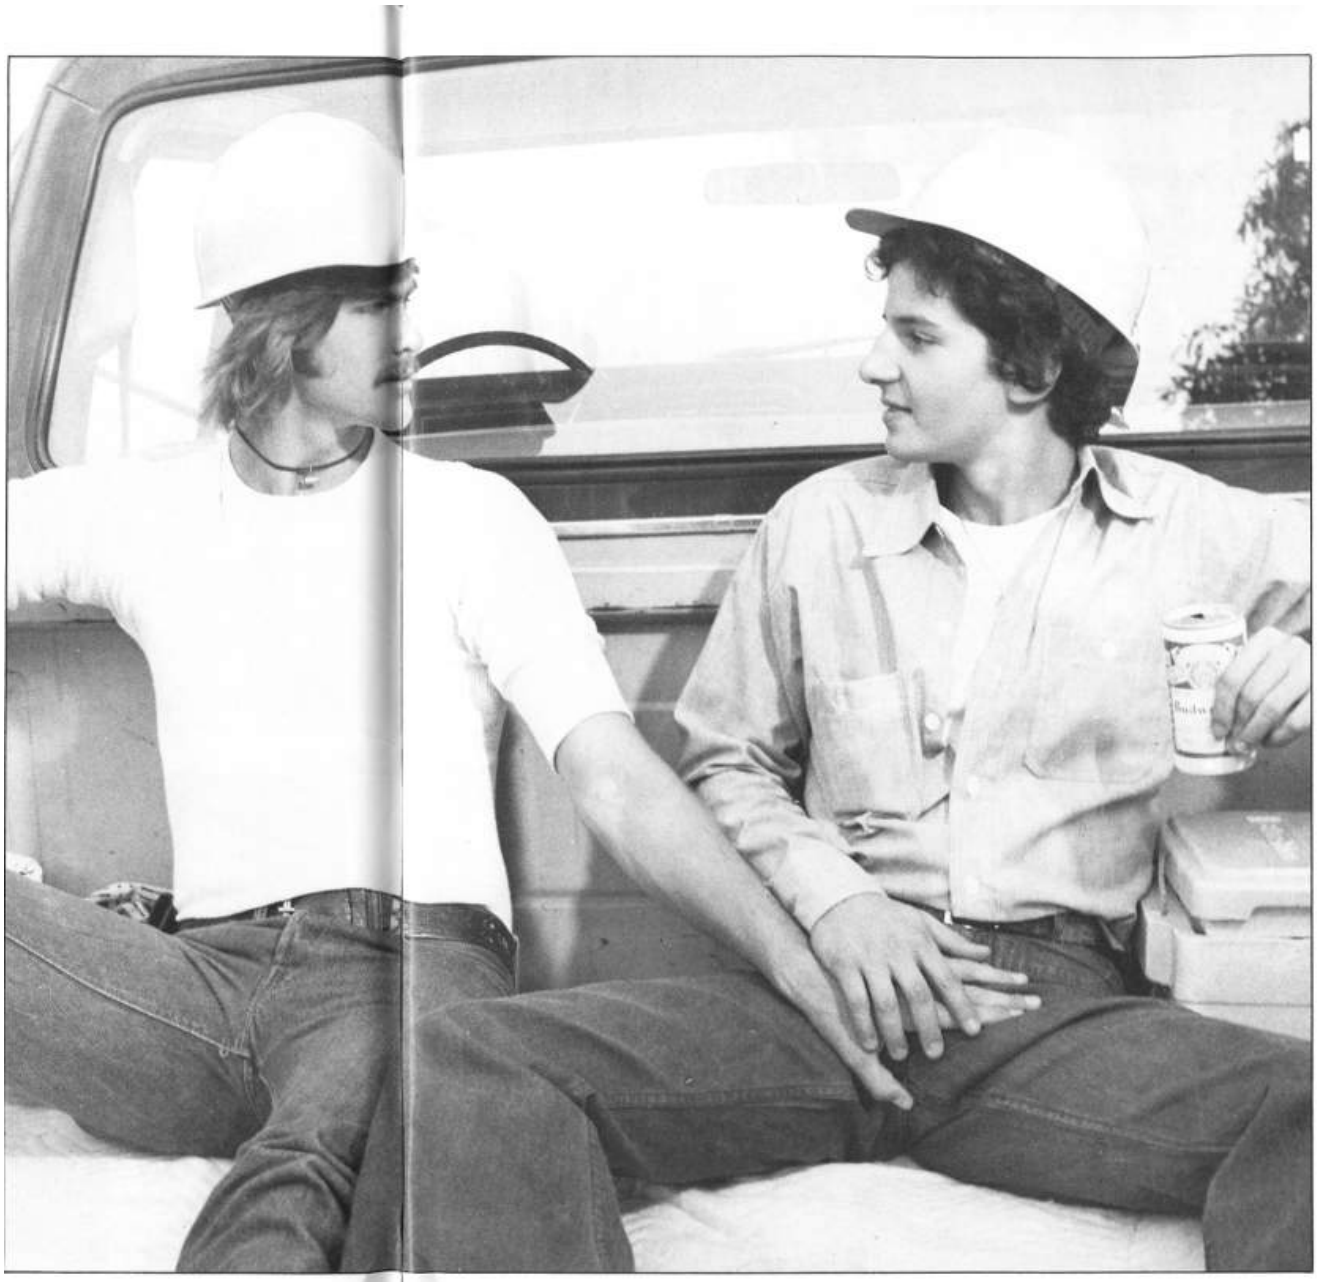
Raul has his little revenge—no beer for Ray.

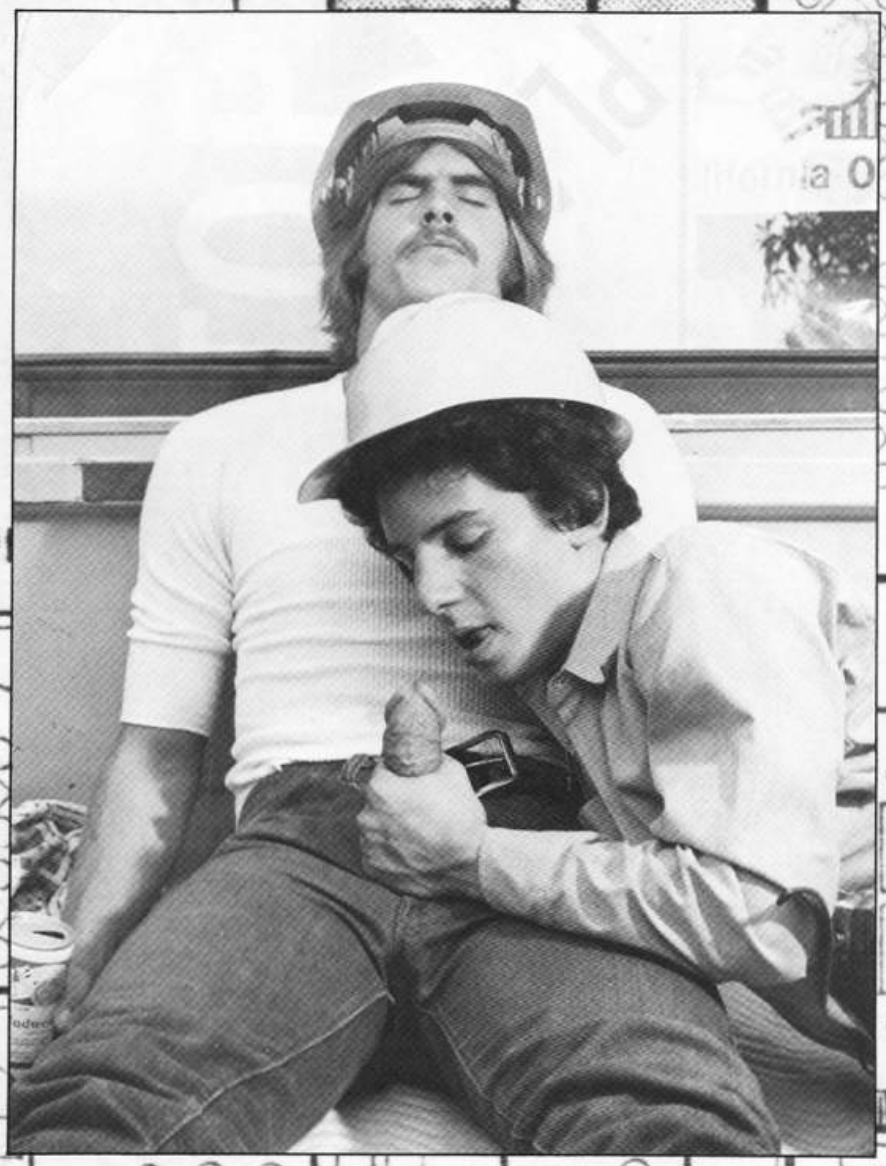
Not especially charmed at being ignored, Ray reluctantly joins Raul in the back of the pickup.

As the truck rolls toward home, Ray's hostility cools and he makes a move.

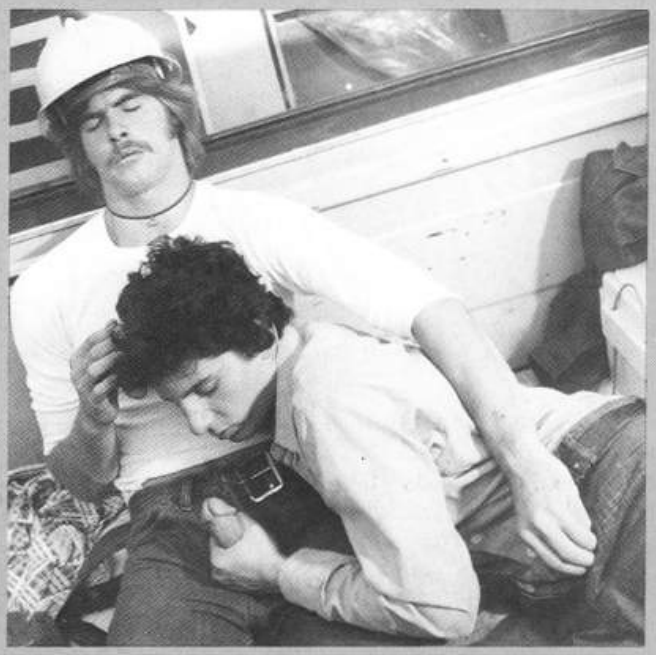




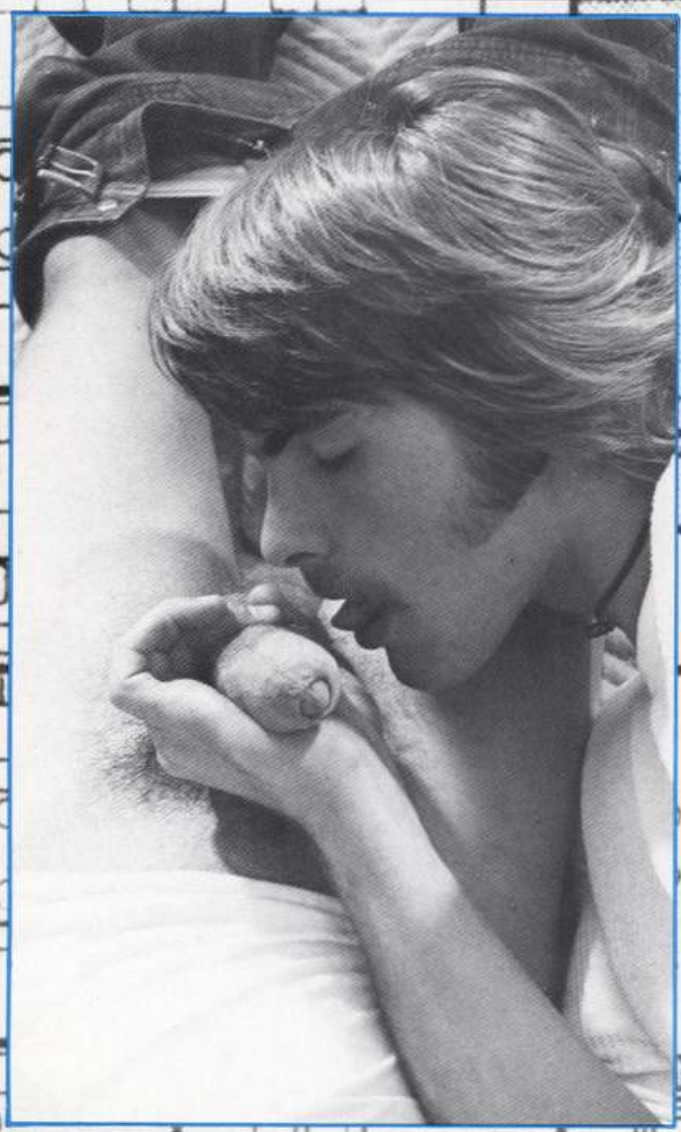
It works.

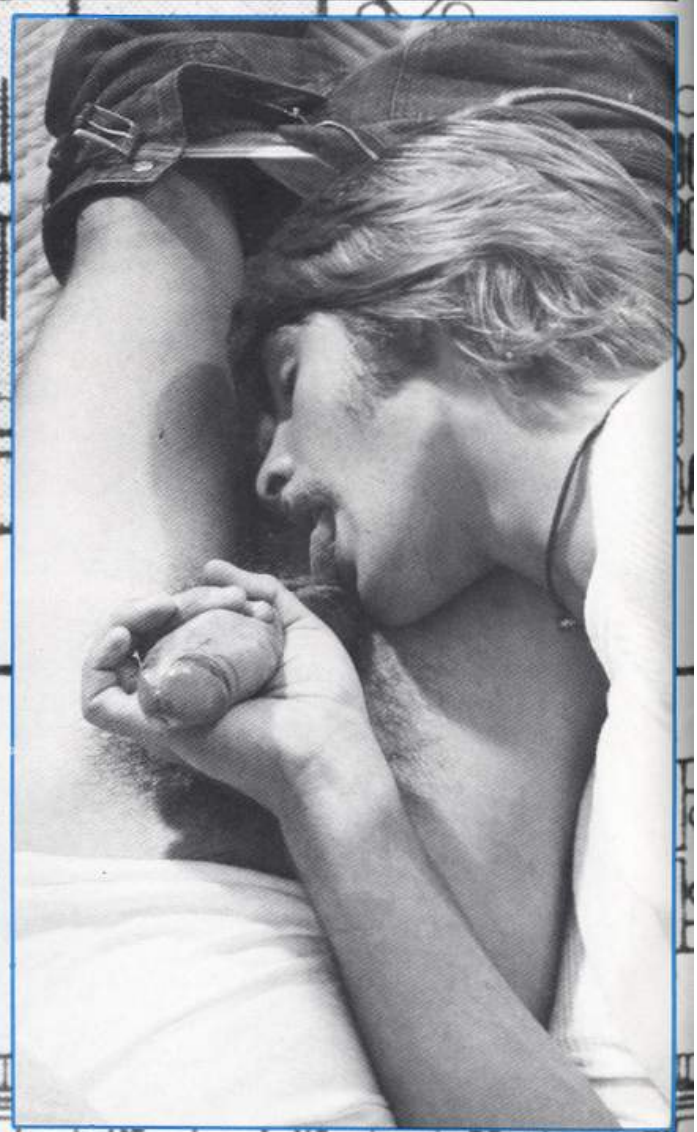


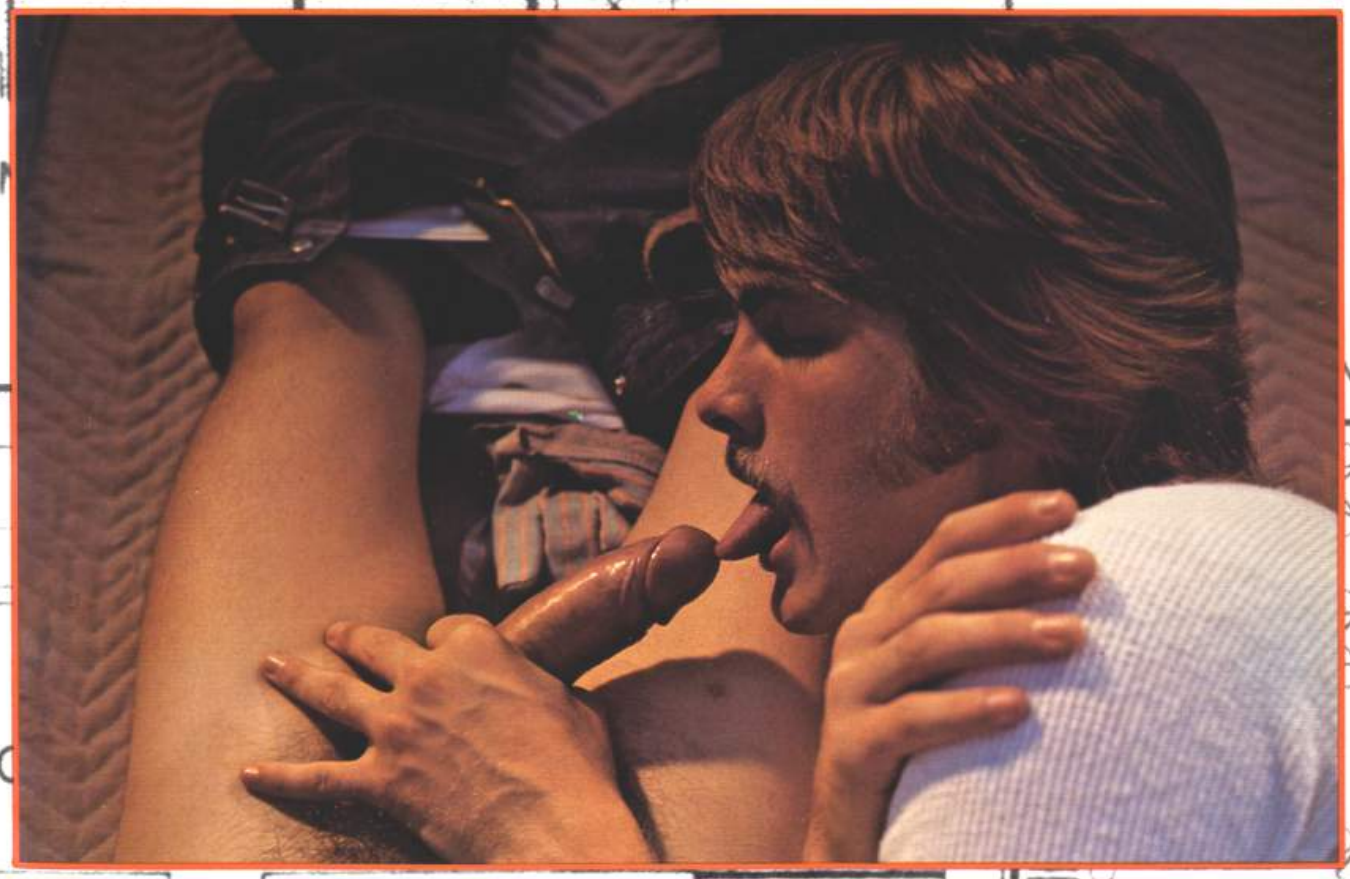
EXPANSIO

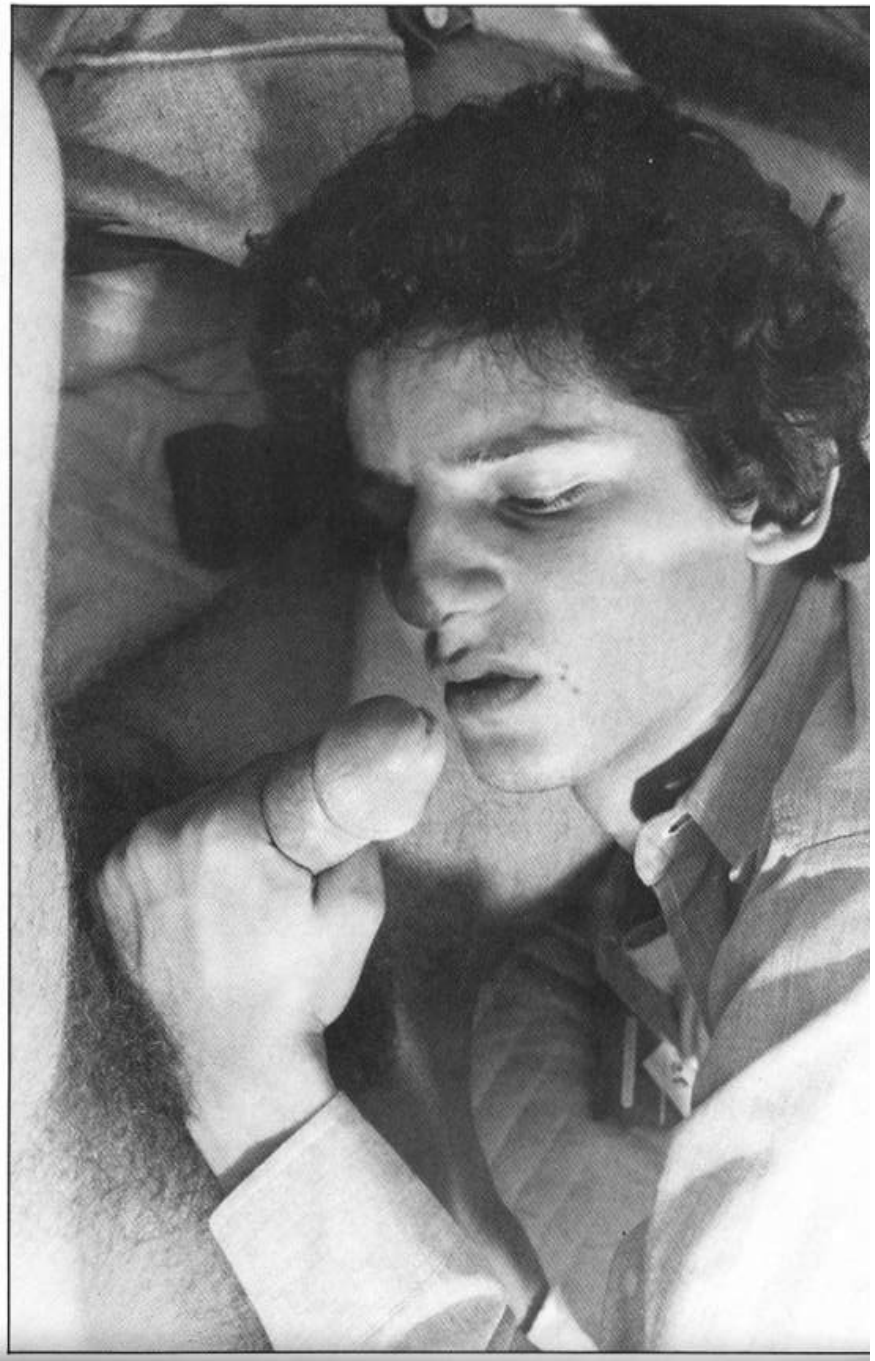


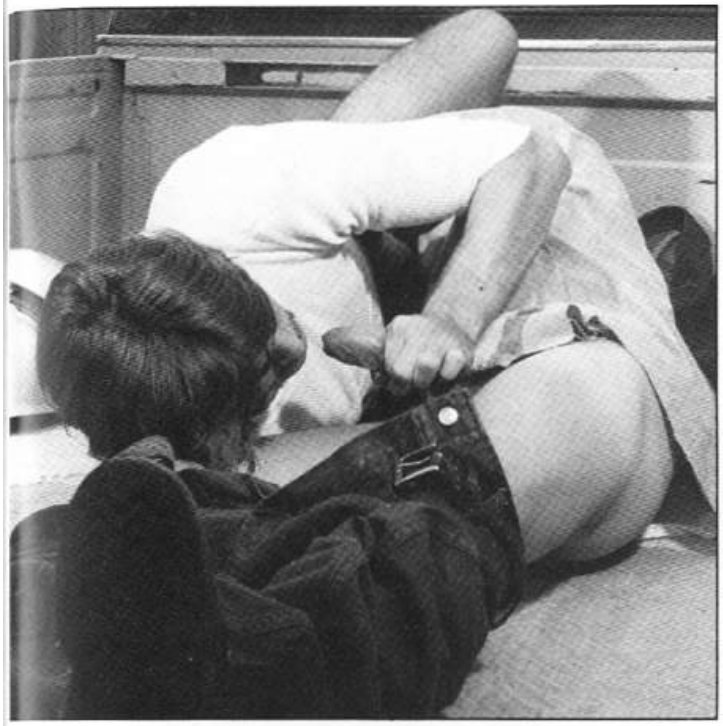
Speeding along, Raul's passions rise—along with Ray's cock.

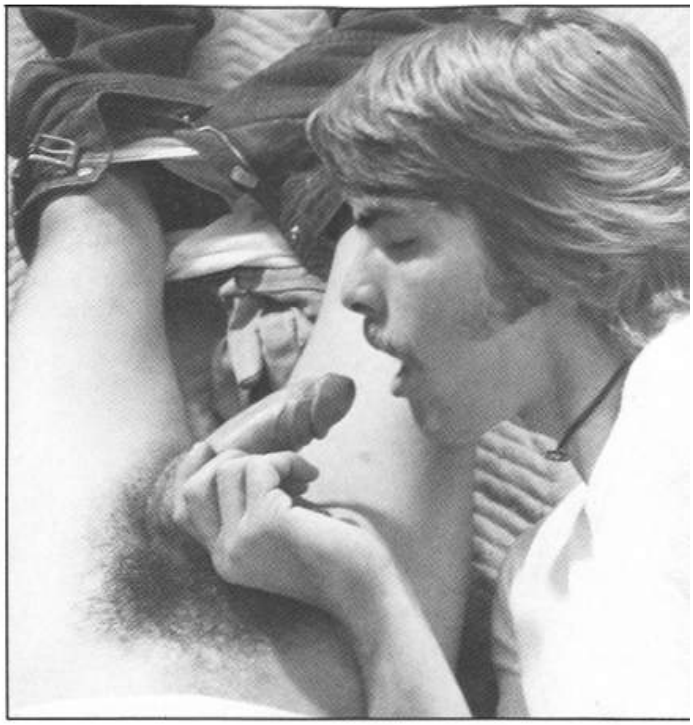


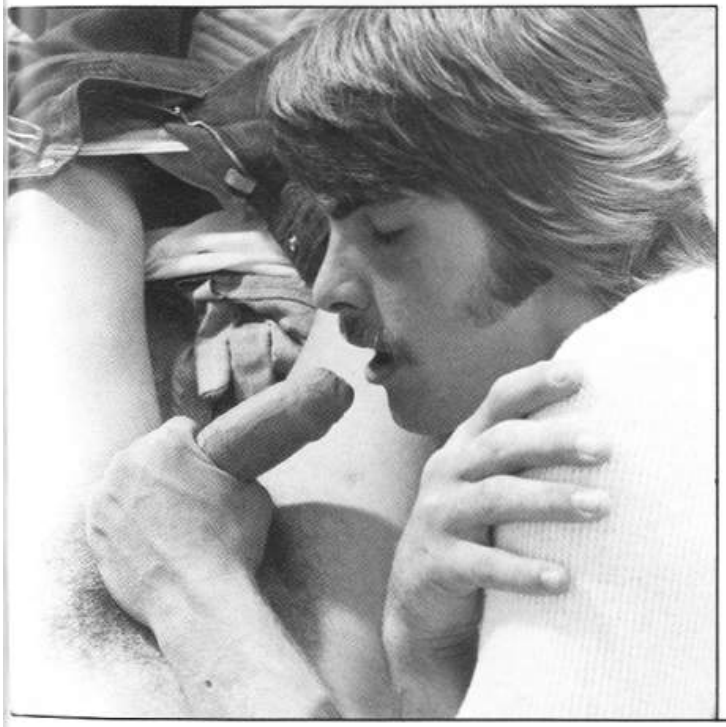


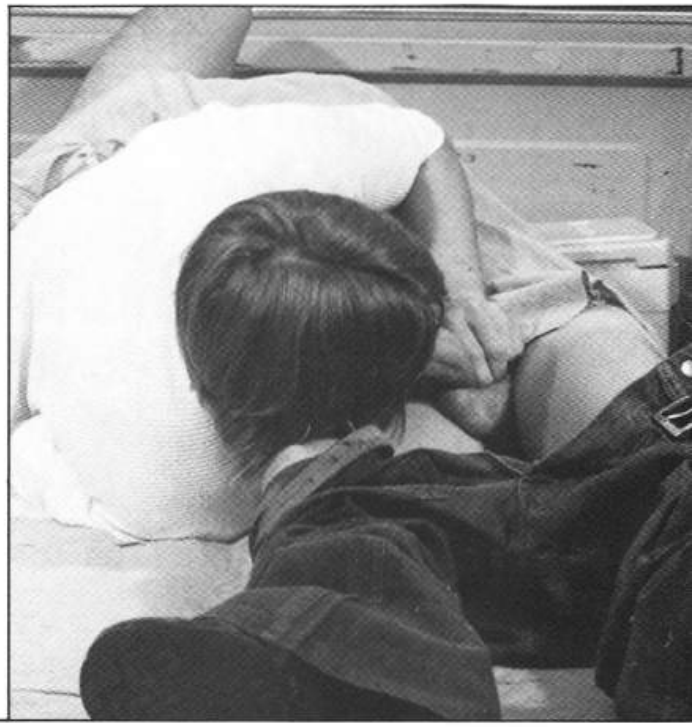




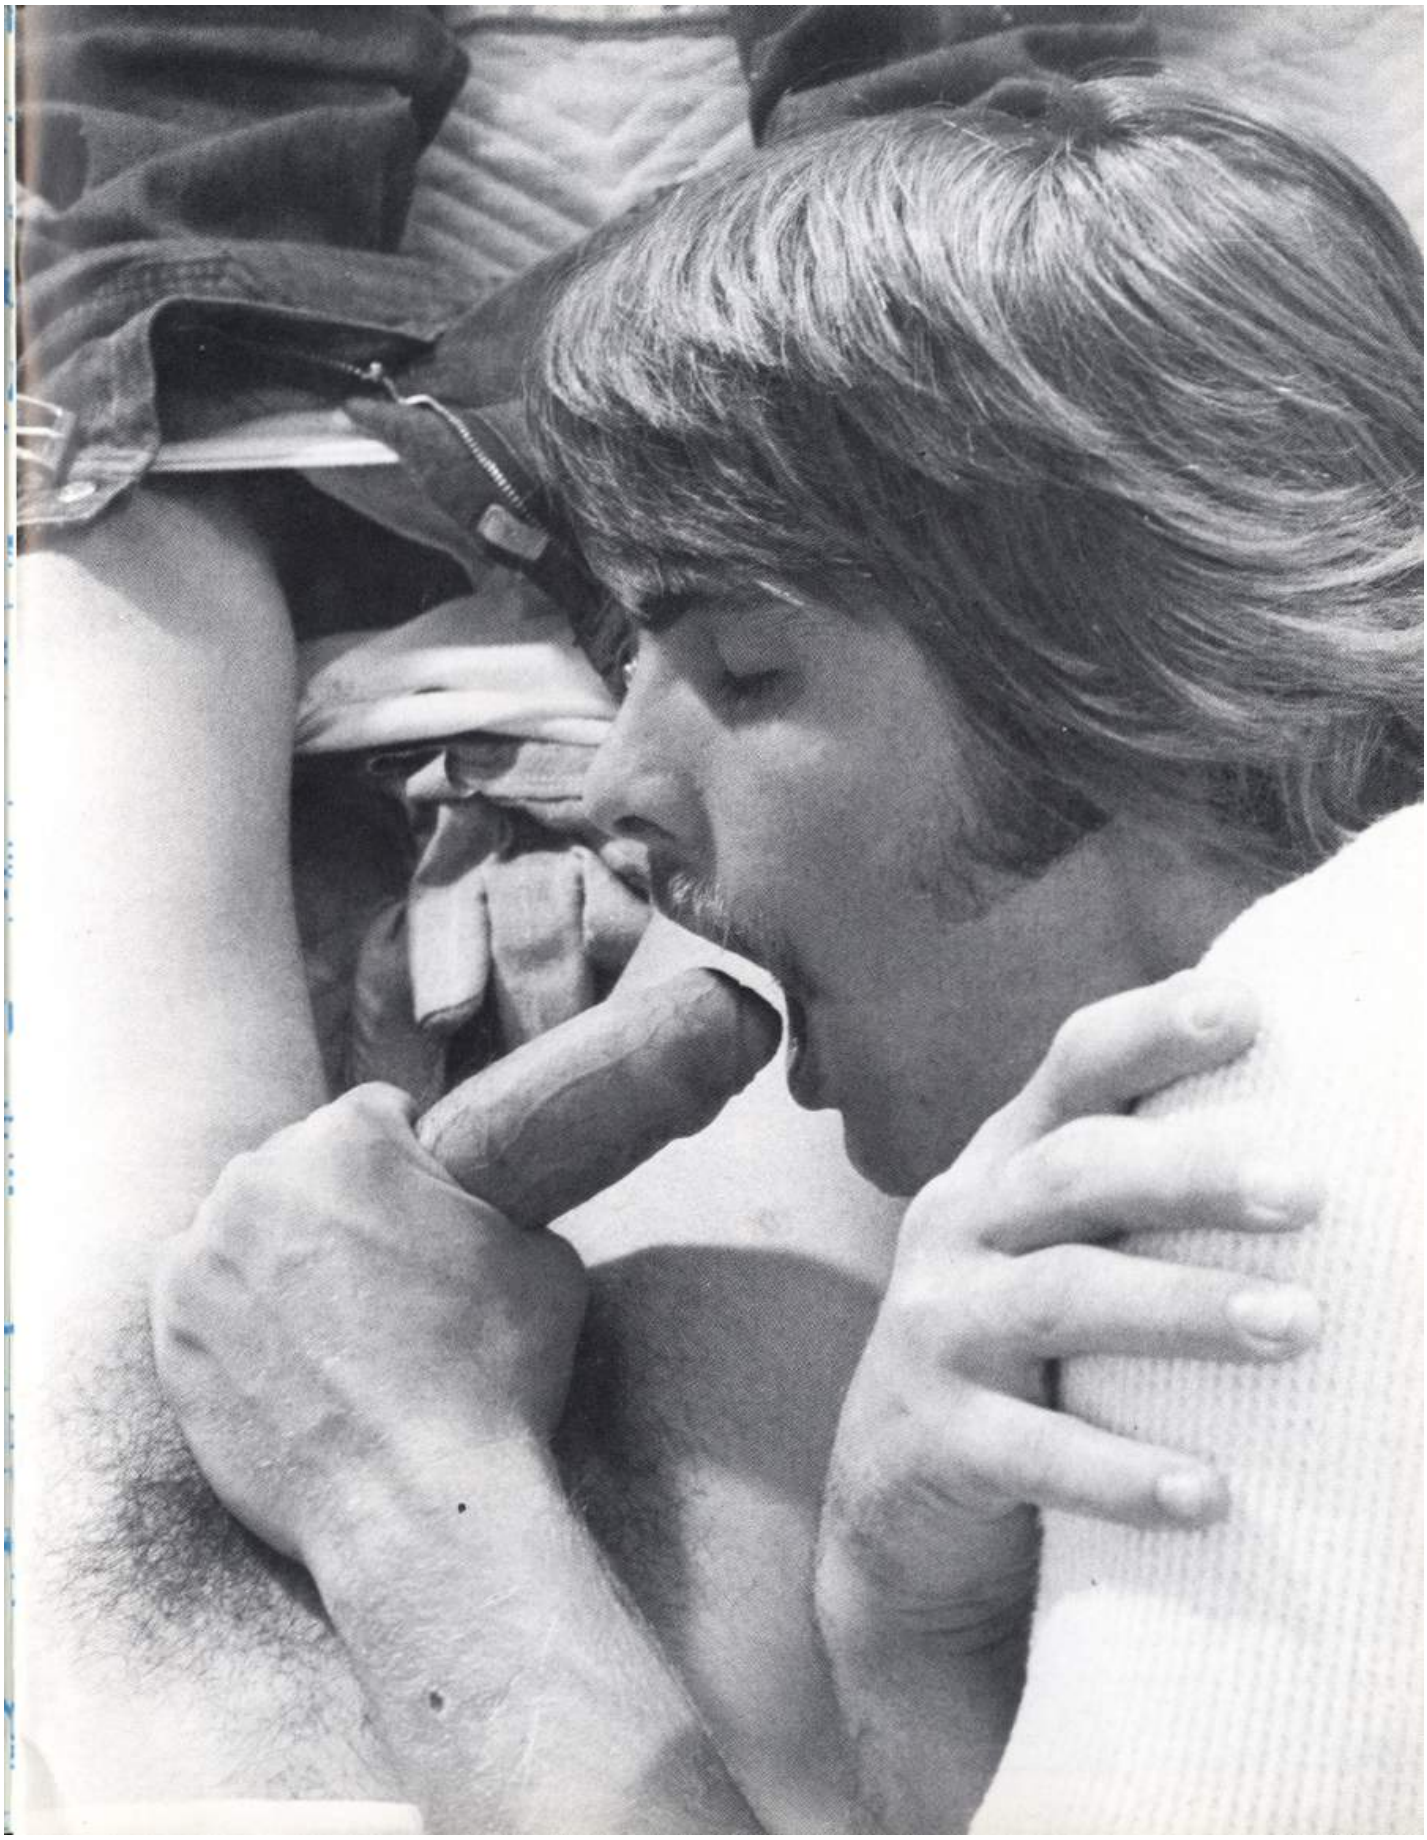




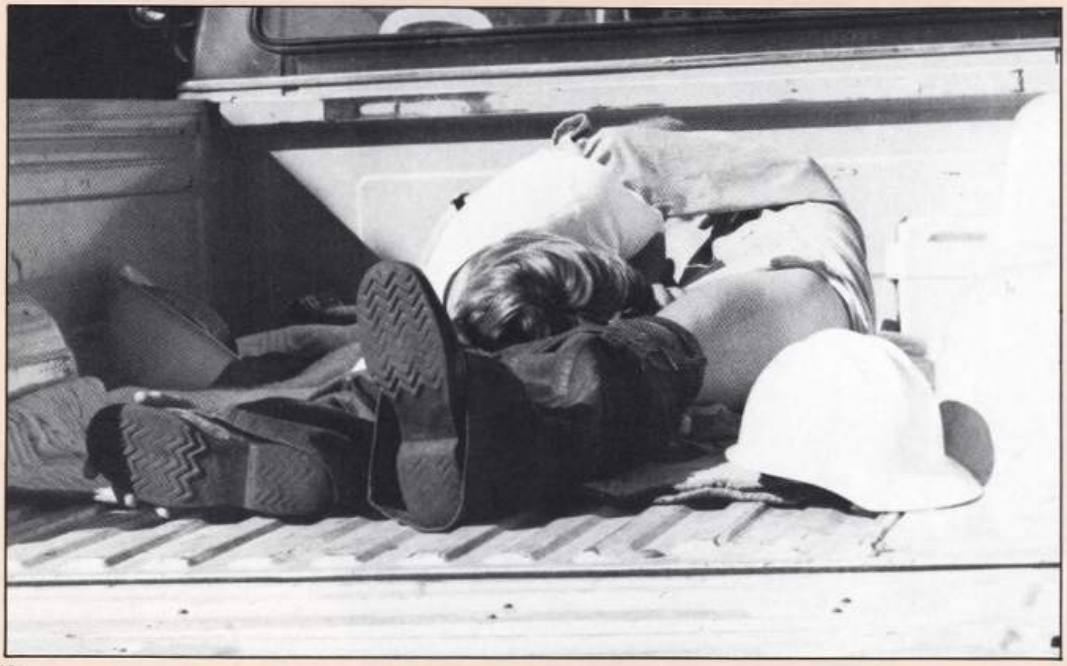


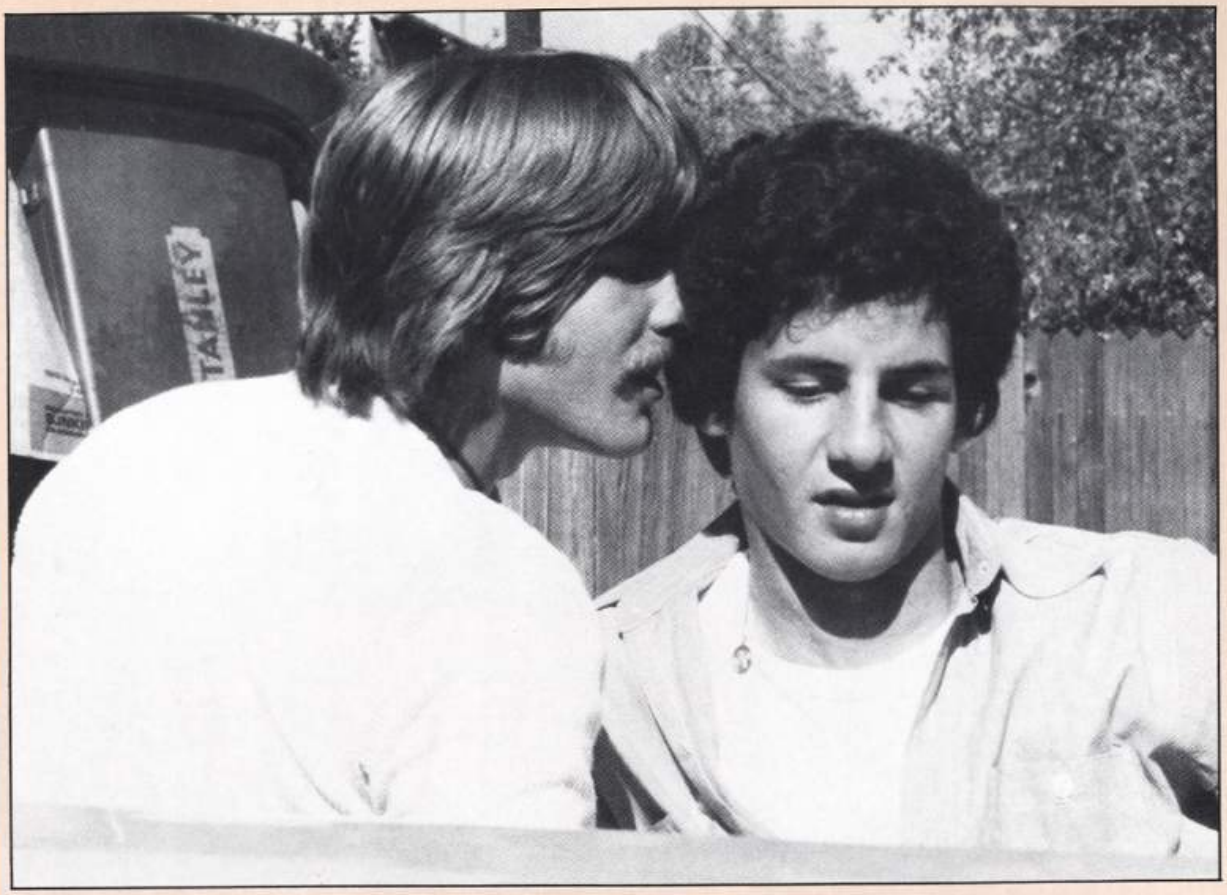


To the casual observer, the back of the truck has an empty look.

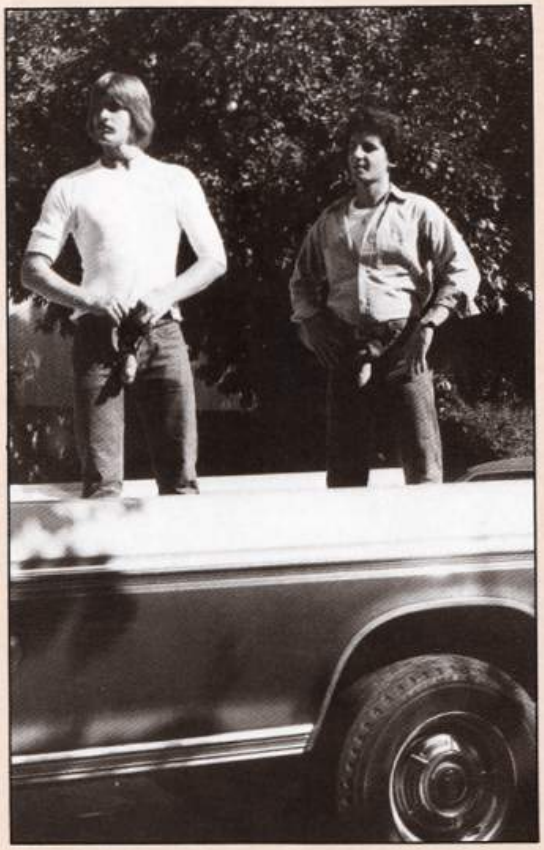


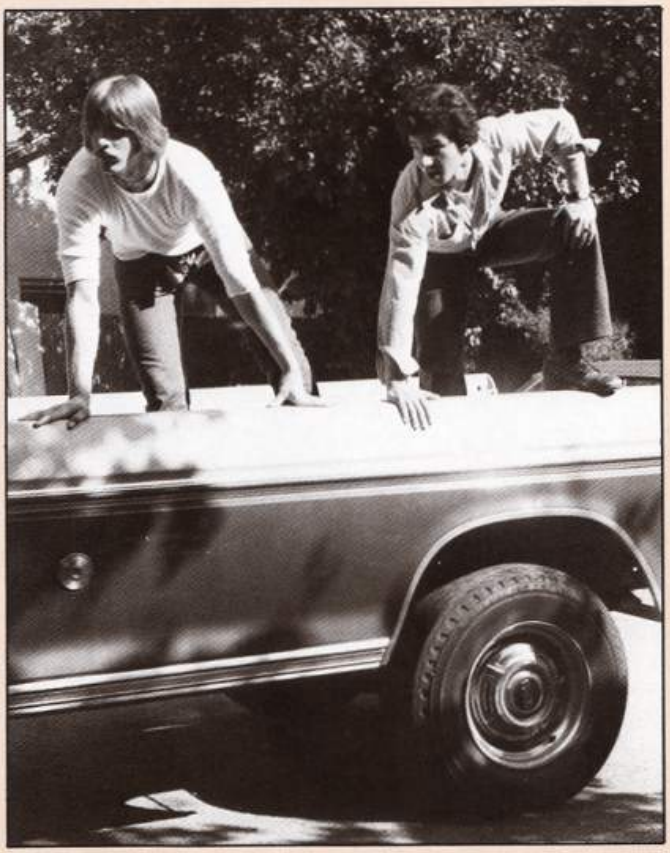
Checking out the scene in back, Clay feels quite superior to both Ray's methods and Raul's vulnerability.





Ray and Raul plot revenge on their trade boss.





The plot thickens and Clay is about to discover the taste of a hard cock.
